

COMPOST CONNECT

An “App”licable Solution for Food Waste Management

Harini S. Aiyer

Founder and CEO of Close the Loop Solutions, Inc.

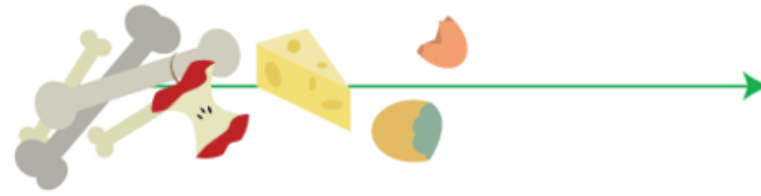

Our mission is to close the loop on food waste.

Compost Connect is an online platform that connects urban residents with local compost haulers.

Resident

Compost hauler

Mobile app

Desktop app

Problem: Compost haulers need better tools to manage their service.

Route creation
Wayfinding

☹️ Limited route stops

Communication

☹️ Dispersed across email, text, calls

Food waste collection

☹️ Forget bucket
☹️ Don't know composting rules

Compost hauler

Resident

Hauler team communication

☹️ Miscommunication

Send payment

☹️ Forget payments

Sign up

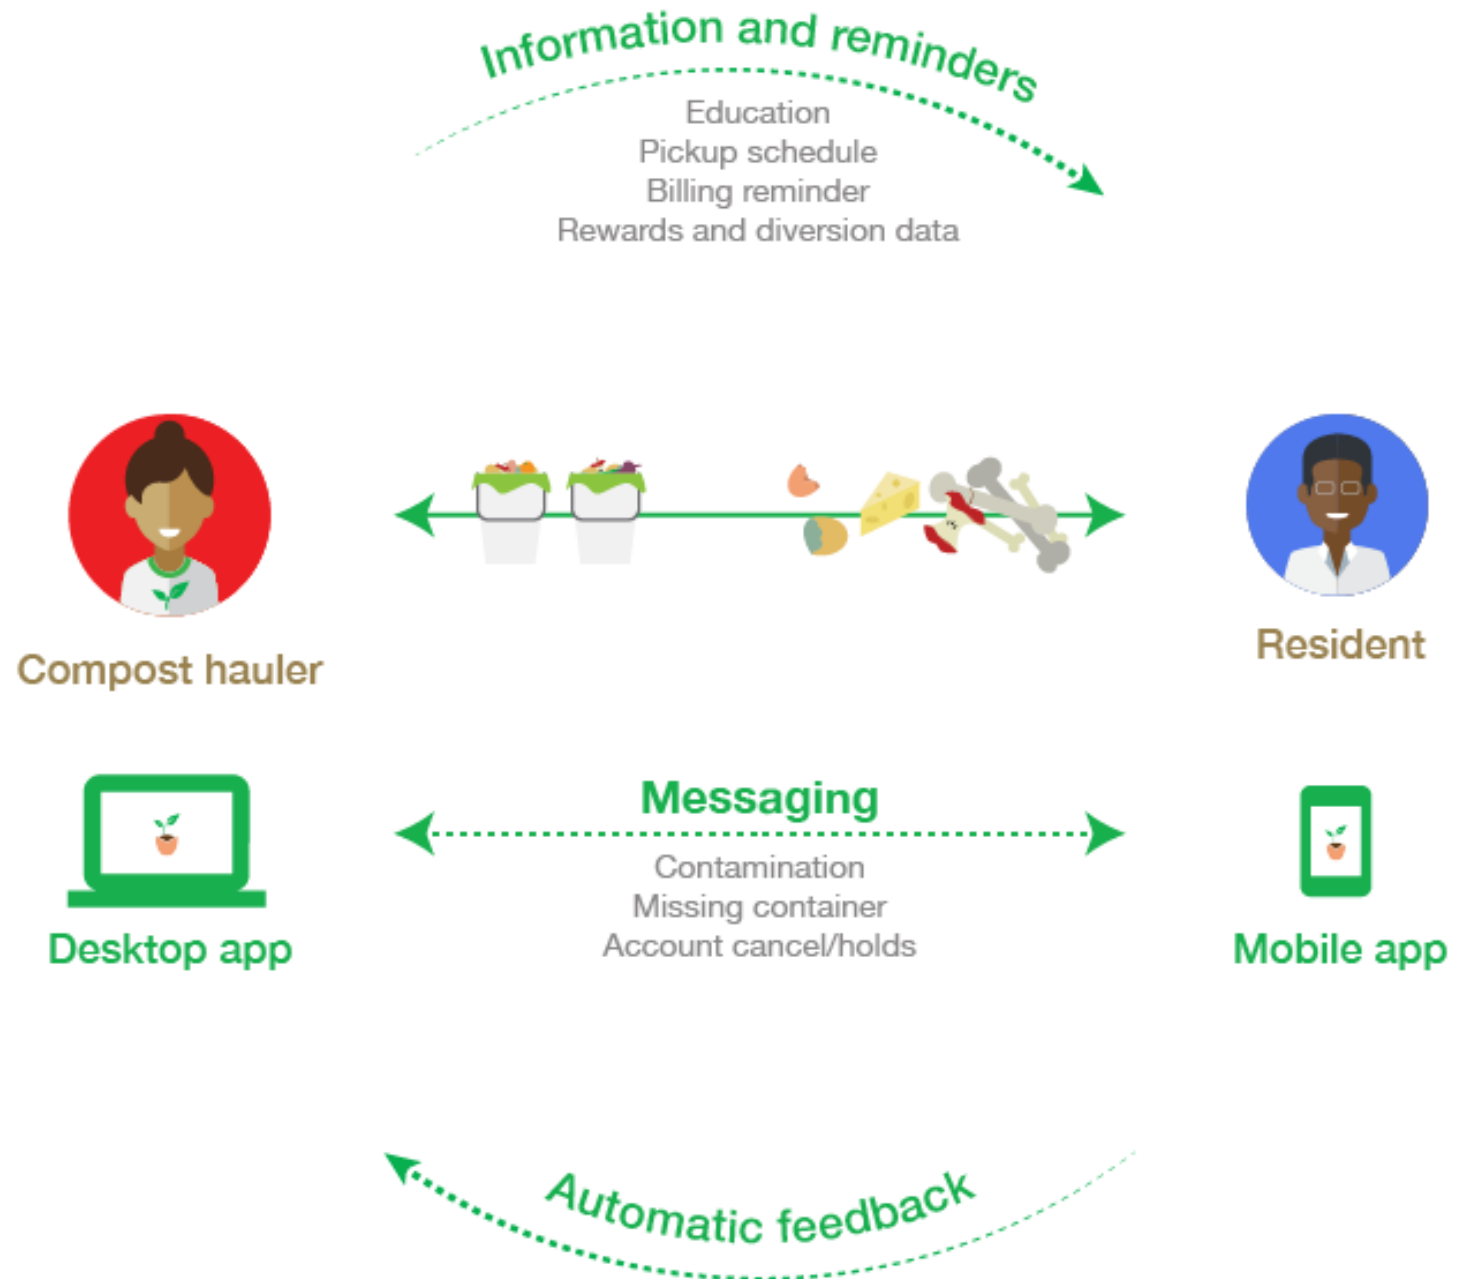

☹️ Manual process

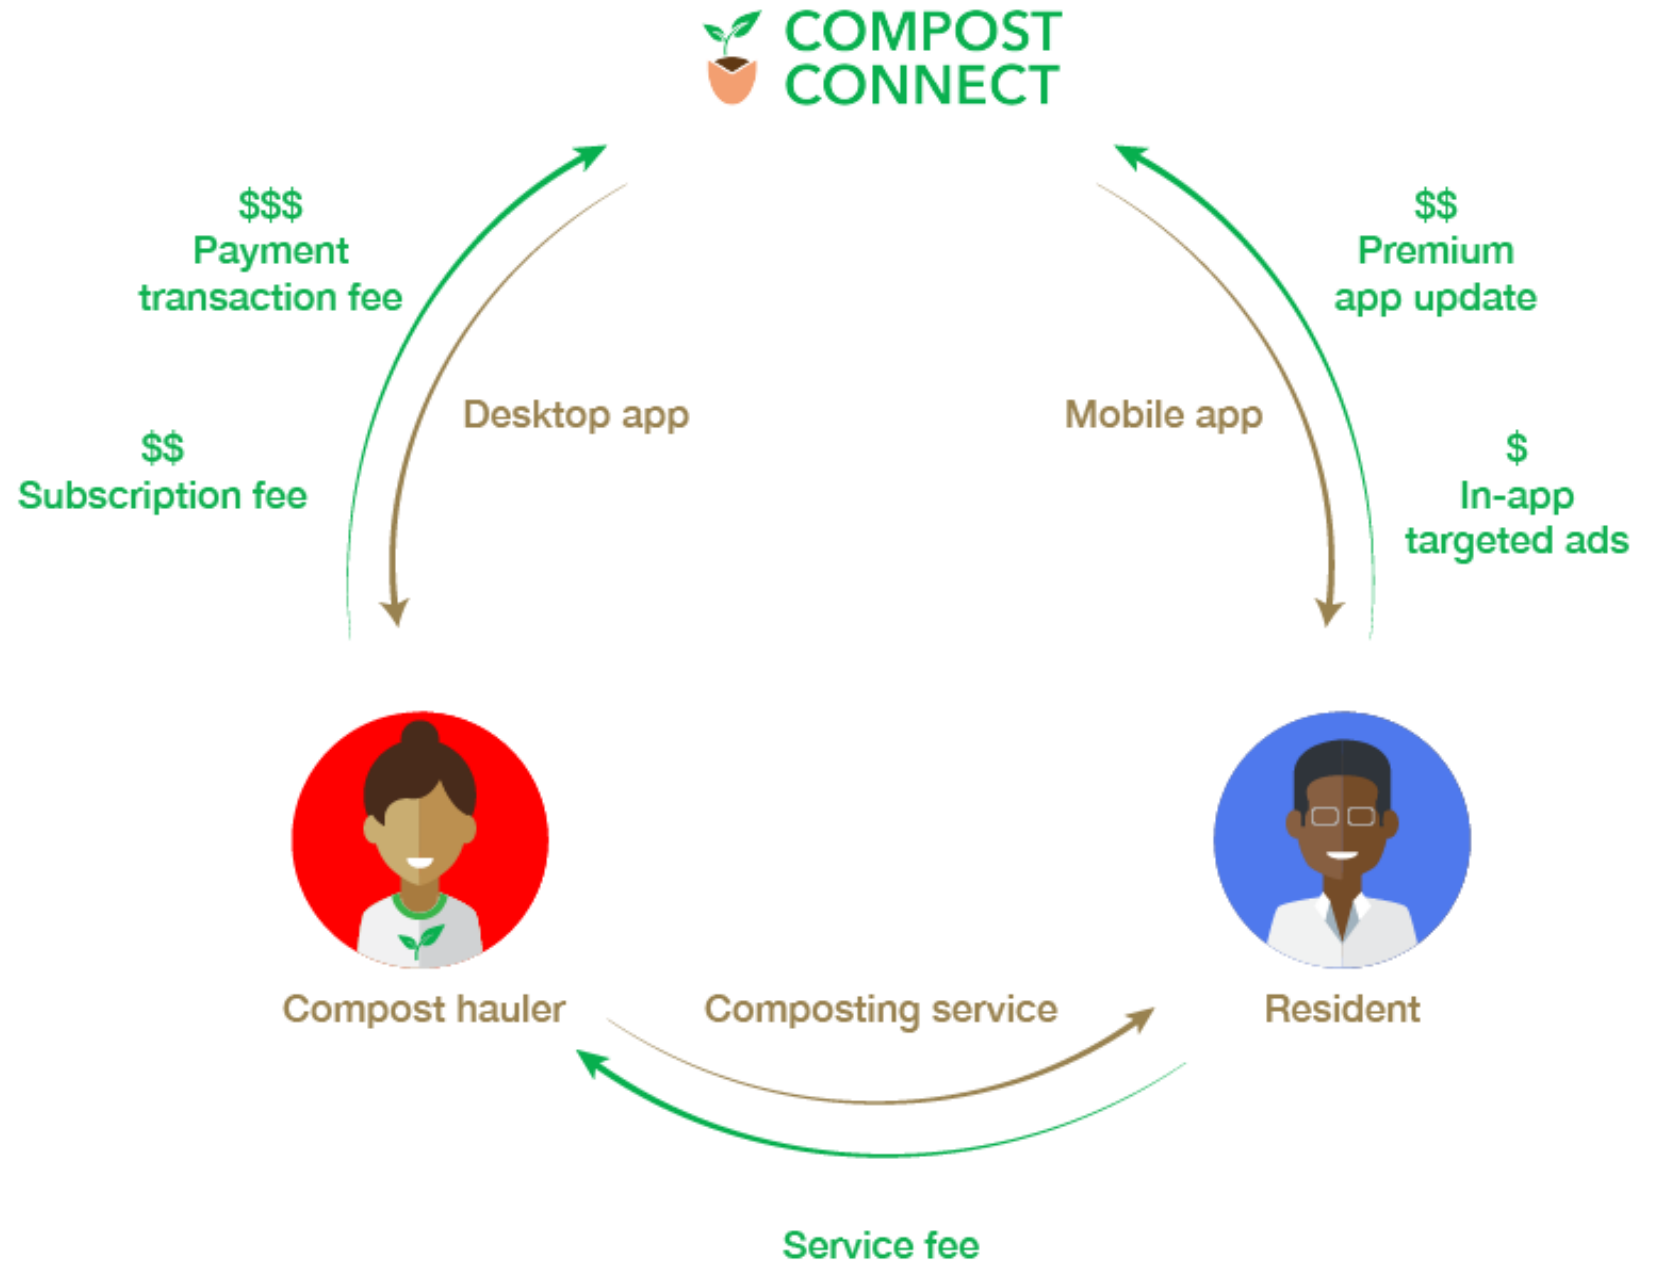

Member database

☹️ Managed manually
☹️ Amount of data surpassing gsheets

Solution: Compost Connect

Our revenue model
